IS YOUR COMPANY:

- Conducting periodic penetration or intrusion tests for firewall vulnerability?
- Confident in its handling of information governed by HIPAA, GLBA, SOX, Model Audit Rule, or SS# regulations?
- Taking the necessary steps to minimize embezzlement or internal fraud?
- Conducting aggressive investigations of prospective producer, partner, or client fraud?
- Implementing a Records Information Management (RIM) or Business Information Management (BIM) program?
- Providing training on identifying signs of workplace violence or preventing sexual harassment?
- Conducting business partner assessments with your third-party partners?
- Publishing business continuity and disaster recovery plans?
- Publishing internal policies on use of laptops, thumbdrives and other technology?

If you answered “no” to any of these questions, we can help you understand where your operation stands today and provide a roadmap for the future. Contact us today!
